**COMPULIFT FACIAL** \$125 (Reg. \$150)  
Instant visible results are produced with this  
instant facelift facial. An intricate circuit of  
techniques including a power peel, micro-  
current muscle workout and collagen induction  
therapy packed into a superior facial.  
Highly recommended before holiday events and  
parties.

**HOT STONE MASSAGE** \$90 (Reg. \$120)

Originating within the Mayan and Indian cultures, over 5000 years ago, this deeply relaxing technique using heated basalt stones as tools from the earth to better relax calm and heal the body. The direct heat relaxes muscles, allowing deeper relaxation and manipulation of greater intensity than with any regular massage.
